Juho Kivioja and Iiro Salonen become partners in Amplia & Co. AG

I have a pleasure to announce that Juho Kivioja and Iiro Salonen have exercised their options to purchase a pre-agreed number of shares and thereby become partners in the firm with an immediate effect.

During their tenor at Amplia, Iiro and Juho have met the targets set for them. Moreover, both of them have demonstrated the entrepreneurial flair and commitment we were expecting to find. As a result, we are pleased to welcome Iiro and Juho as partners and look forward to continued profitable growth with them.
