Adrian Wenzel has been appointed Senior Investment Advisor of Amplia & Co AG

We are happy to announce that Mr. Adrian Wenzel has been appointed Senior Investment Advisor of Amplia & Co AG. Adrian who is one of the leading experts in quantitative financial modelling in Switzerland will assist Amplia in further refining our proprietary quantitative investment models. Furthermore, Adrian will provide support and back-up for Amplia's Chief Investment Officer, Juho Kivioja, and will participate in Amplia's investment committee. Adrian graduated with a Master of Economics with specialty in Finance from the university of Basel, Switzerland. Later in 2003 Adrian took a CIIA degree as a certified Financial Analyst. Adrian's career started at the Basellandschaftliche Kantonalbank from where he, in 2001, moved over to Baloise, a leading Swiss insurer where he was responsible for the Swiss investment portfolio, one of the largest in Switzerland. Between 2006 and 2008 he headed the Swiss securities desk at Bank Sarasin. In 2008, together with some of his former colleagues, he went on to form the Swiss asset management firm Eniso Partners AG. At Eniso, Adrian, as Chief Investment Officer developed the firm's proprietary quantitative asset management tool. The Funds managed by Adrian went on to win best in their class awards for many years in a row, earning Adrian a name as one of the leading specialists in his field in Switzerland. Since 2019 Adrian works as Senior Financial Advisor with Amplia on top of his other advisory mandates.

Amplia in brief:

Amplia & Co. AG is a Swiss, independent wealth management company, located in Zurich. With a focus on High-net-worth individuals and institutions we are today a leading European provider of state-of-the-art wealth management services for Nordic clients.

The company creates bespoke wealth management solutions for its clients, based on either advisory or discretionary models. In doing so, Amplia & Co. AG uses proprietary quantitative investment models developed together with leading experts in the field. On top of wealth management, Amplia & Co. AG tailors for its clients family office and wealth planning services and advises in international relocations. Amplia & Co. AG was founded by its current main owner and CEO, Mikael Rosenius (Finnish and Swiss citizenship).
